

Develop & Accredit Your Skills

Level 5 Certificate in Coaching & Mentoring

If You Want to Develop New Coaching & Mentoring Skills or Accredit Your Existing Ones, This Programme Could be The Opportunity You've Been Looking For

Come & Join us!

Here at The Coaching Bug we think Coaching & Mentoring are important, powerful and something many more people can benefit from. We have made it our mission to positively infect as many people as possible with our enthusiasm for coaching and this programme is just one of the ways we bring that to life.

This course offers a substantial learning opportunity for those who participate in it, which we believe will continue to have a positive impact on lives, careers and organisations long after the training itself has ended.

We will work with you to develop the skills, knowledge and practices you need to be an effective coach or mentor, and we will help you explore the power and potential of coaching and mentoring within your organisation or with your clients.

We are committed to your success on this programme and if you are serious about achieving this qualification we are serious about making sure we do all we can to help get you there!

QUALIFICATION DETAILS

The qualification is ideal for managers & leaders, and those with significant responsibility for Coaching & Mentoring in their organisation. It is also suitable for those wishing to develop the skills as part of their day to day role, and those wishing to start a career as a freelance coach or mentor.

It is a national recognised vocational management qualification, and its level is equivalent to an undergraduate degree. You can expect to spend around 130 hours in your studies, 37 of which will be guided by your learning support team.

Assignment Overview

1. Understanding the skills, principles & practices of effective management coaching & mentoring
2. Undertake management coaching or mentoring in the workplace (12 hours)
3. Reviewing own ability as a management coach or mentor
